SIR:

AMENDMENT IN RESPONSE TO EX PARTE QUAYLE ACTION

In response to the Office Action of July 3, 2002, please amend the above-identified application as follows:

In the Claims:

Amend claim 1.

5.6 B1 1. (Amended) A network method performed by a Call Broker for establishing a voice call between text chat participants in a data network text chat session, comprising receiving a message from a first of said chat participants requesting the establishment of a voice call between ones of said chat participants, sending a response message to said first chat participant providing voice call session information and at least one authorization code, receiving a message from a second of said chat participants requesting participation in said voice call and presenting said voice call session information and an authorization code,
